Dear Parent/Carer and young person,

We are asking for your permission for Together for the Common Good (T4CG) to use photographs and/or videos of your child. The photographs/video taken will be used by T4CG to highlight the achievements of students using the Common Good Schools programme and to promote the work of T4CG.

Images and footage will be stored securely on Together for the Common Good's One Drive.

For more information about the work of Together for the Common Good and Common Good Schools, please visit <https://togetherforthecommongood.co.uk> and <https://commongoodschools.co.uk>

To grant permission for photographs and video of your child to be used, please sign and return to jo@commongoodschools.co.uk.

If you do NOT grant permission, or there are particular uses that you do not agree to, please indicate on the form below, sign and email to jo@commongoodschools.co.uk

Consent can be withdrawn at any time by notifying T4CG by email jo@commongoodschools.co.uk who will, wherever possible, rescind all future planned use of the images/footage and arrange for all digital copies to be destroyed on request.

Many thanks,
